REAL FRIENDS

It's easy to draw a picture of an offline friend, but you don't always know who an online friend is.

Have a go by drawing a picture of your offline and online friends... it's tricky isn't it!

Always talk to your parents about friends you meet online.

ASK FIRST

Check with your parents before you download anything new.

Some apps and games may cost money, or may not be good for you, your computer, or your phone.

TRUE or FALSE
It's okay to download whatever you like from the App Store

BE NICE

Be nice to your
friends online, just
as you are offline.

Share your
happiness!
Draw smiles on
these Moshlings.

TELL SOMEONE

The Daily Growl

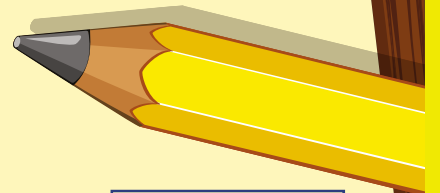

If you get stuck,
or anything online
upsets you, talk to
your Mum, Dad or
another adult.

TOOLS & TIPS FOR PARENTS

For more information on how to set up parental controls across all your devices, report concerns, read expert reviews and find advice about different age groups, please go to vodafone.com/parents

Vodafone's parental controls automatically prevent young people from accessing inappropriate content and services from our network – to check these on your phone, simply go to content control on **My Vodafone** or your account online.

Supported by the Vodafone Foundation as part of its 'Mobile for Good' programme. For more information please visit vodafonefoundation.org/m4gplayer

You can also download our **Vodafone Guardian app** from Google Play on Android phones, which enables you to specify times during which your child can make or receive calls, use the internet or camera, restrict outgoing calls to named contacts, such as Mum and Dad and block specific contacts in the event of bullying.
